looking for other students from different years to be involved in similar advice sessions. Srma encouraged other parents to attend the TM/TW session as it provides valuable life-long information.

### **Social Committee**

Richard discussed the rescheduled Welcome Drinks in Term 2 on Thursday 12 May 2022. Also noted the opportunity for a sausage sizzle/bake sale in the upcoming Federal election.

### **Sport Committee**

Heather read the update from Hettie Jamieson, Sports Admin Coordinator. A summary below: ●

**Netball** - grading and teams have been finalised, with Team allocation letters being sent out to players in the next couple of days. Registrations are complete, however participation is low. Training will commence next week for all teams.

● **Basketball** - There is a shortage of coaches across all sports currently. We have implemented a model of a Head Coach overseeing the training sessions delivered by Junior and Assistant Coaches. We are currently in Round 5 of Comp 1. There have been a few teams which have moved divisions, with more changes happening next week. We have had great feedback on holding the training at Norths Indoor Sports Centre and are planning on keeping it there for Comp 1 which runs to the end of Term 2.

● **Football (Soccer)** - We held a very successful inaugural grading for the Year 7 students at Waverton Park. We will be registering an U13 boys team and a U14 girls team with North Sydney United.

● **Speed & Agility** - Rich Frost is running the very popular Speed & Agility Program on Wednesday afternoon weekly at St Leonard Park. The price is reduced to allow students to join at any stage throughout the term, so please contact Sports Admin if interested.

### **Uniform subcommittee**

Mary advised that the first uniform sale of the year will be Sunday April 3 at Green Park Cammeray Scout Hall. Donations of clean, quality uniforms greatly appreciated at the school offices.

### **Environment Subcommittee**

Kristina discussed the tunnel digging around the Cammeray Skate Park and sports fields and failure to apply appropriate environmental practices. North Sydney Council have unanimously passed a motion strongly opposing the tunnel and noting the impacts on local children and school communities.
